1982-83 Pow-Wow
Volume 27*

Friends after all we've been through.

What a cute couple.

Gag me to the max!

Hello Dolly!!!

You're kidding me.

Terri, got your hands full??

Magic

Remember back, not long ago,
When we excitedly sat,
Watching the magician on T.V.
Pull a rabbit from his hat.

We sat and thought how is it done.
We wonder if we'll find
Answers to questions; these mysteries
That nag and tease our mind.

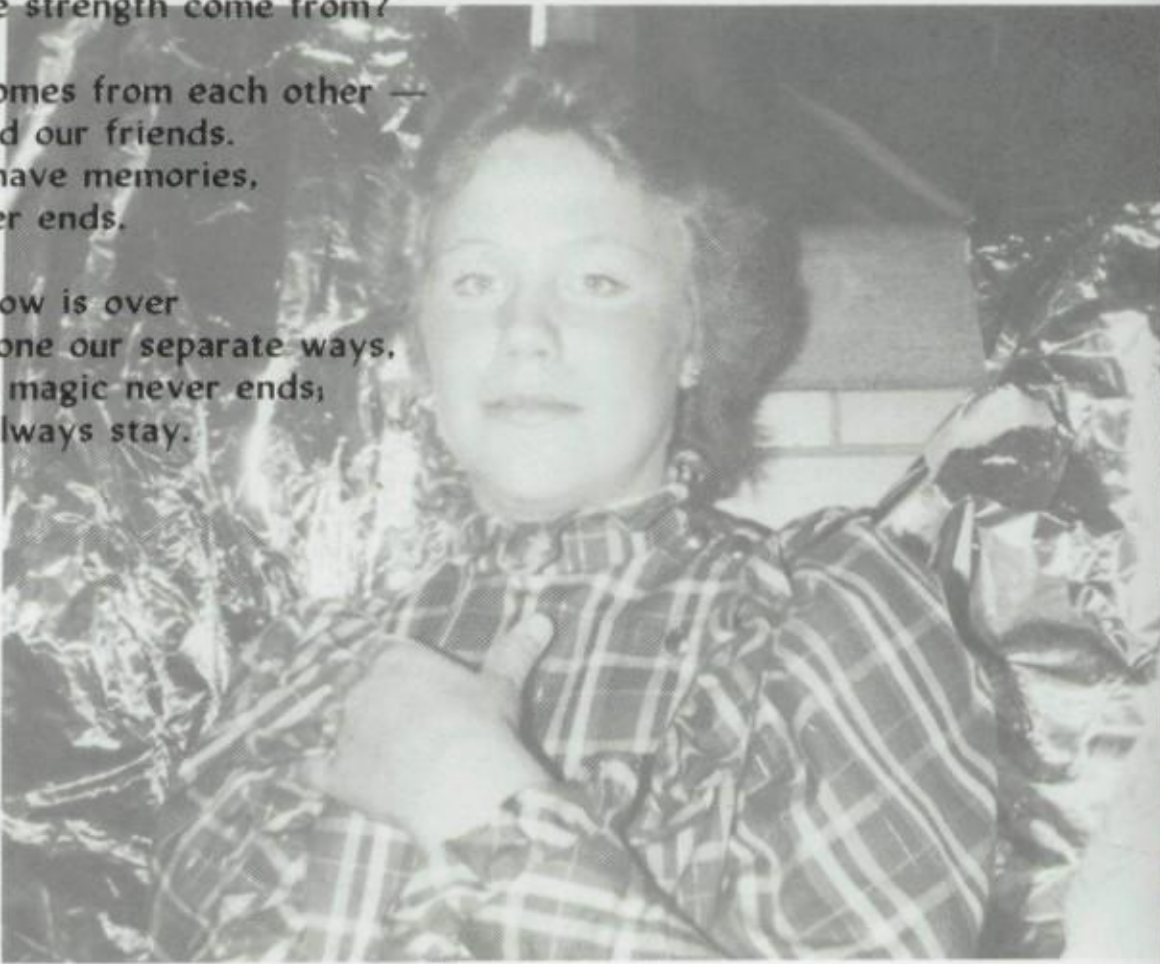

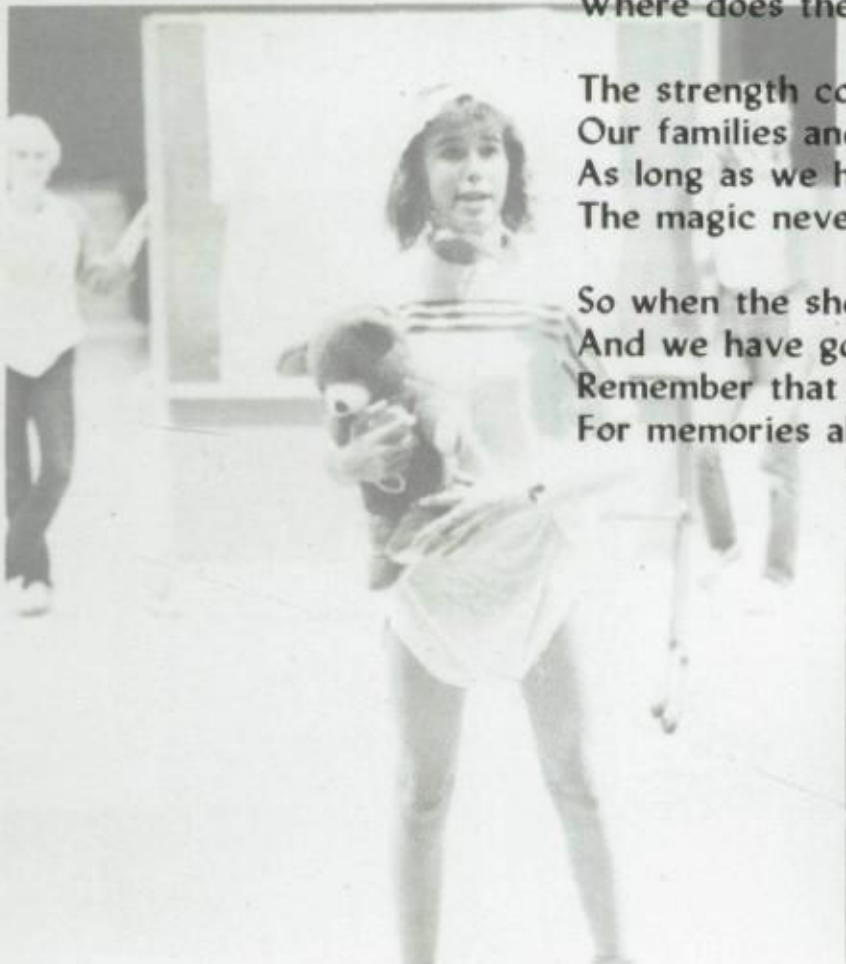

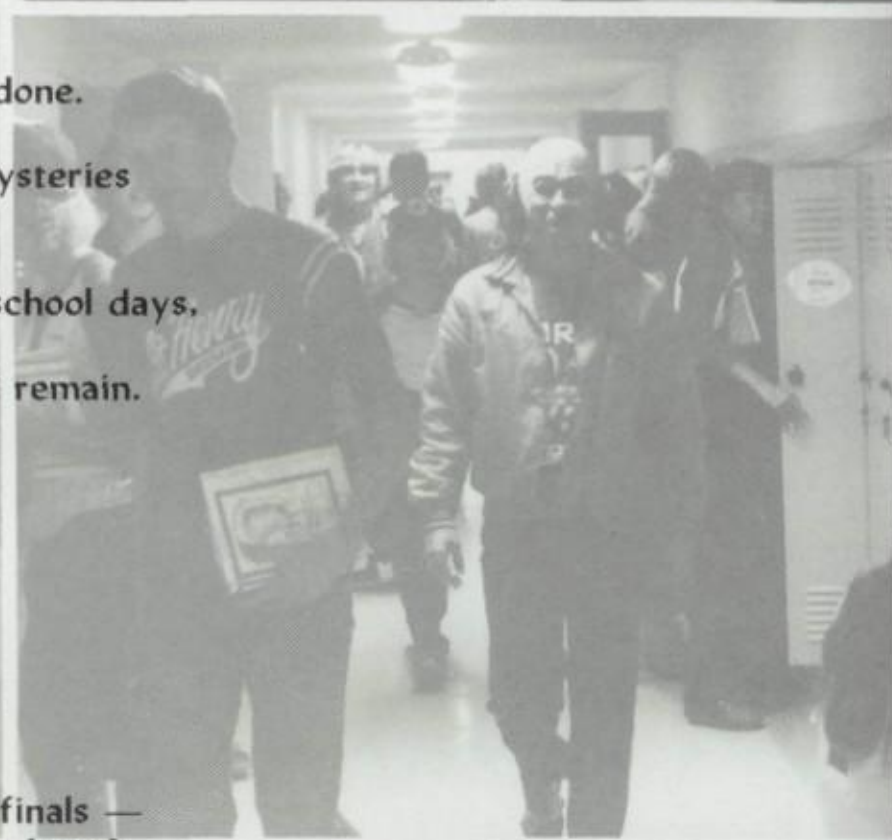

The magician's dove, like our school days,
Passes by so fast
That memories are all that still remain.
But memories always last.

There is a certain magic
About our high school years,
Times that bring us laughter
Others that bring us tears.

Initiation, graduation,
Homecoming and prom,
Getting a license, and passing finals —
Where does the strength come from?

The strength comes from each other —
Our families and our friends.
As long as we have memories,
The magic never ends.

So when the show is over
And we have gone our separate ways,
Remember that magic never ends,
For memories always stay.

Don't drink it all!

Who is that masked man??

Kim, what are you doing on the bathroom floor?

Bosom Buddies!!

Mark wants you!

Terri, why are you smiling?

Fiercesome Foursome.

Give me a break.

Sue, did you have a little too much?

Gonna get a little?

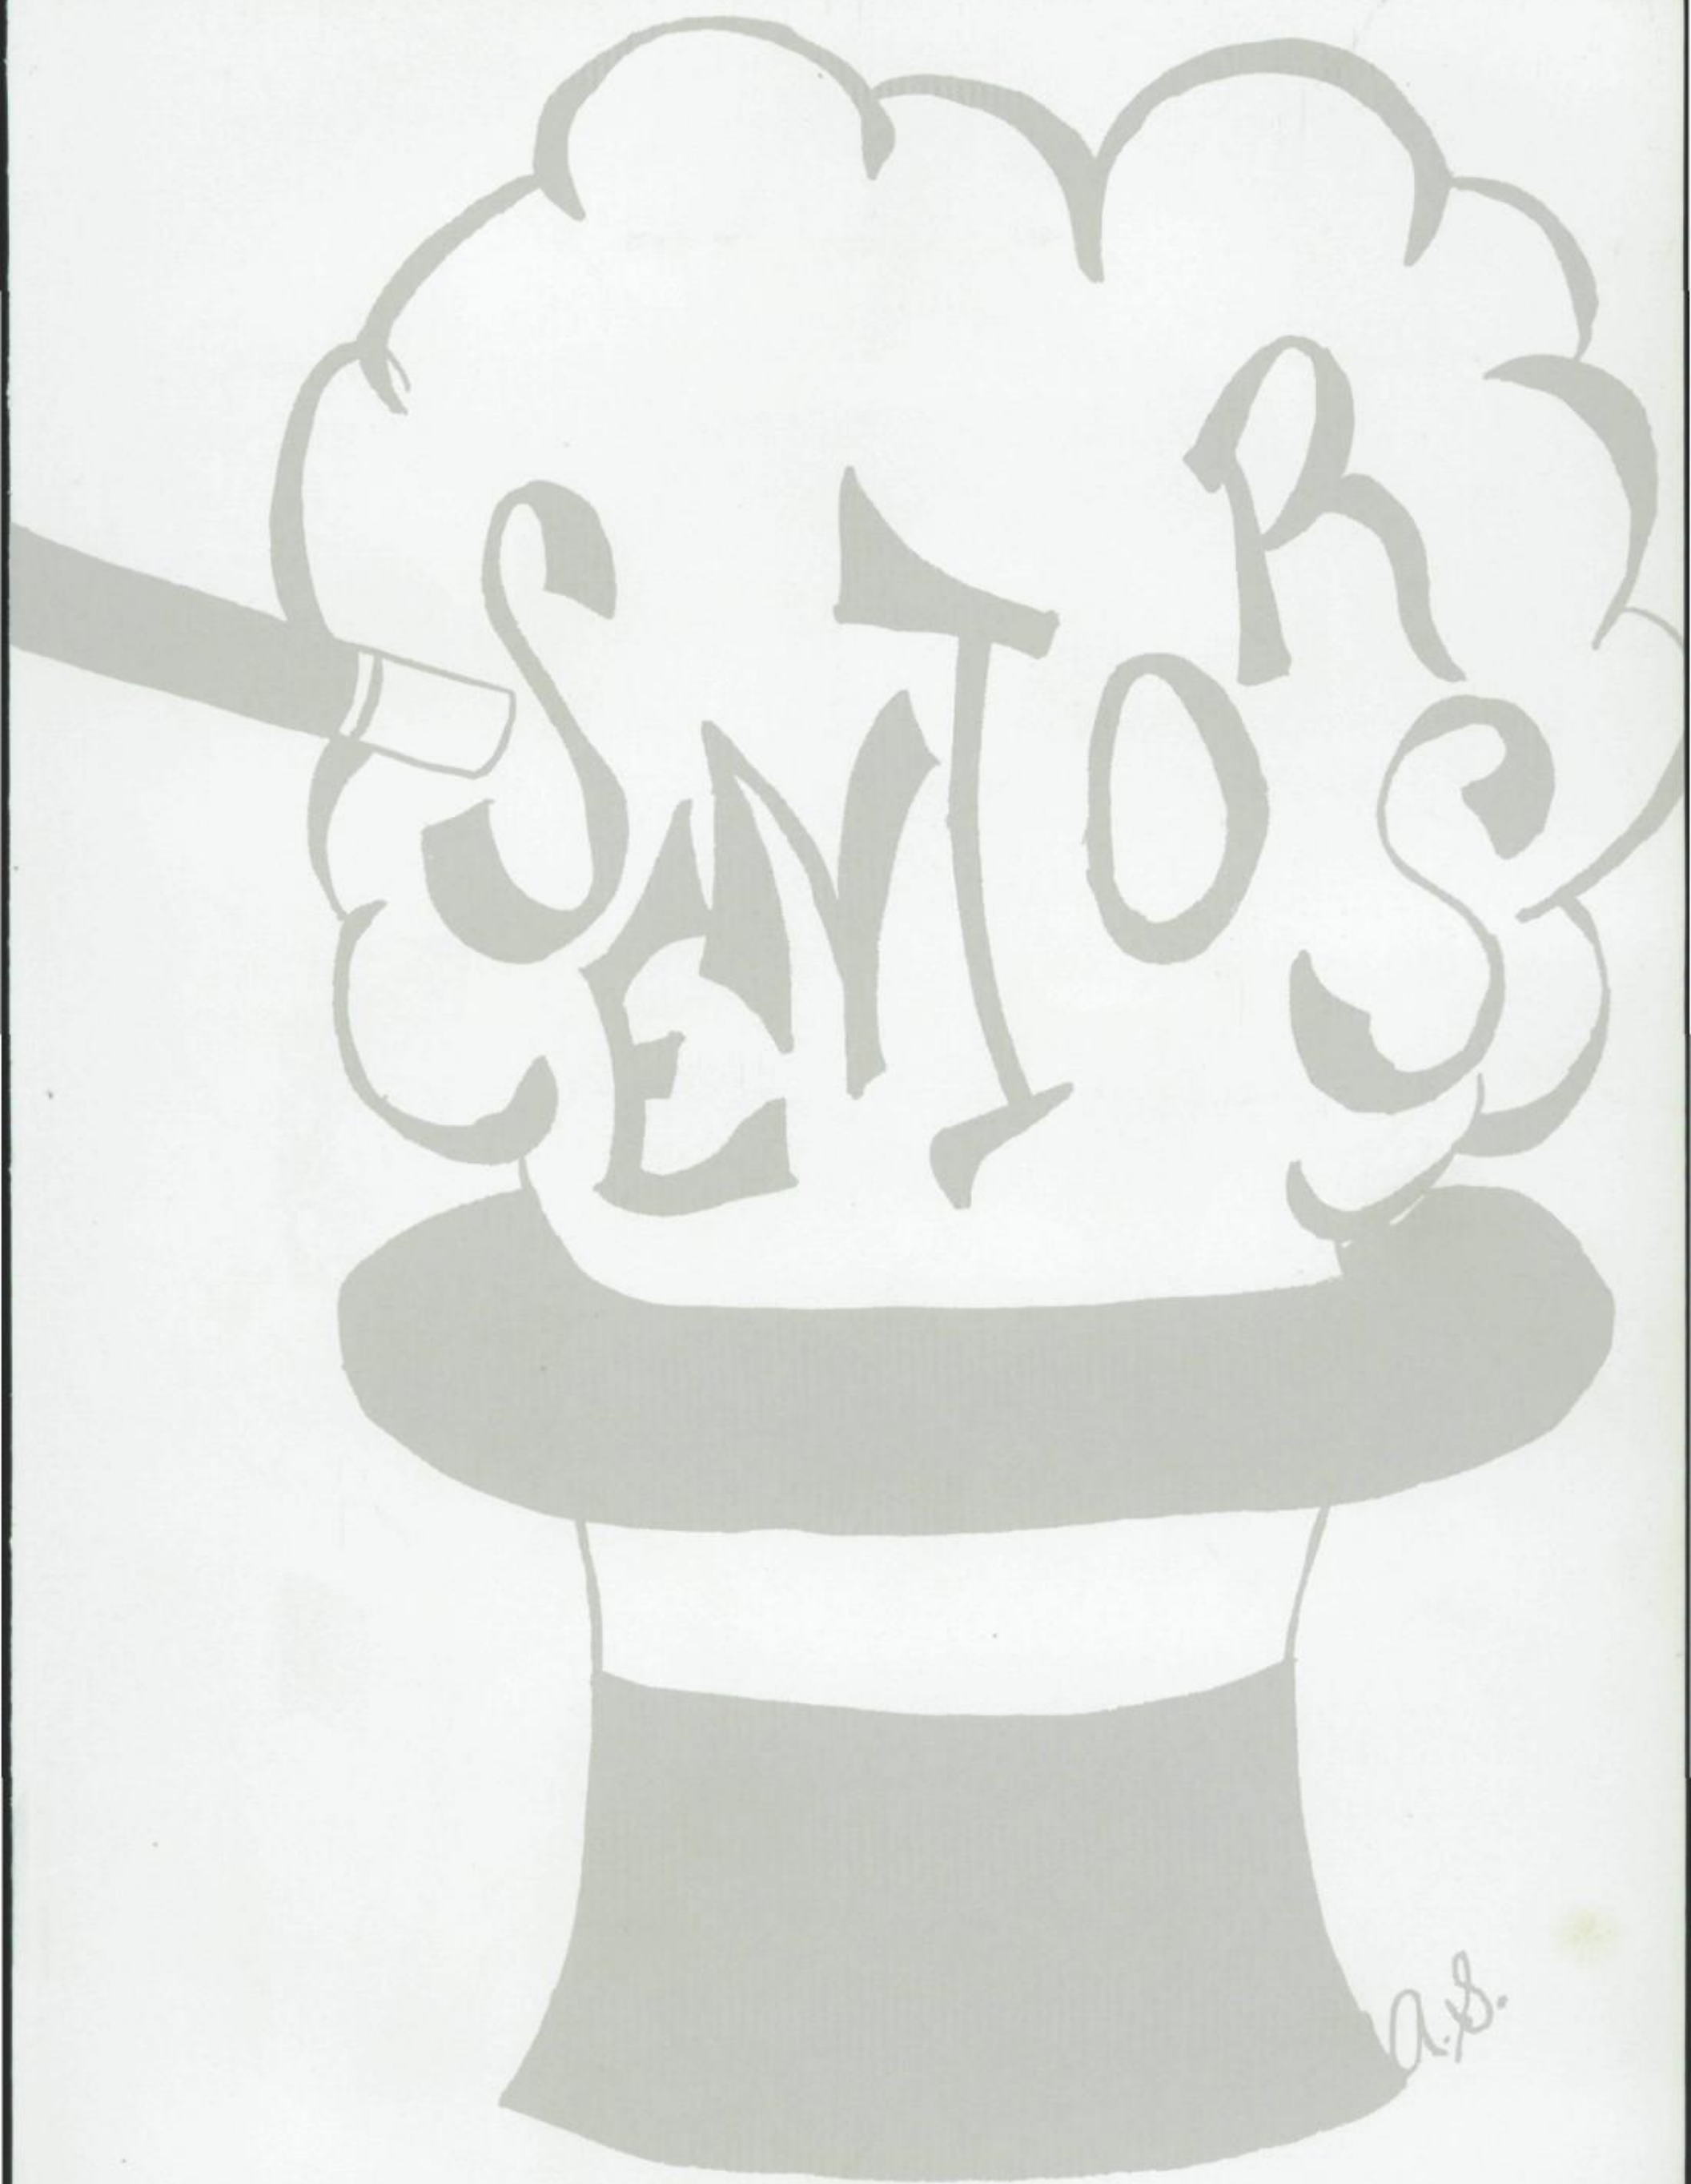

Open wide!

At least some people are innocent ...

On July 12, 1981, one of our classmates, Nancy Hartings, was in a automobile accident. Her injuries were such that she was unable to attend school the following year. Specialists said her chances for recovery were slim, but with Nancy's determination, courage, and innerstrength, she regained consciousness after being comatose for four and a half months. Then with a lot of work and miracles, she improved enough to come back to St. Henry High School and will graduate in 1984. The Class of 1983 would like to extend our best wishes and hopes to Nancy in all that she pursues.

Juniors

This year has been filled with magical experiences for the juniors. They have many decisions to make on what they are going to do for their future, whether to continue their education with college or to choose a different route in life.

Selling magazines was a task handled by juniors in order to raise money to decorate the prom in honor of the senior class.

Now that three years of high school have past they have yet to look forward to their last high school year to achieve their goals and satisfactions.

Sophomores now know what it is like being accepted as a part of high school student body. They realize they have more responsibility and magical tasks to take on such as: ordering their class rings, preparing for Homecoming Parade and many other tasks that have arised during the school year. But with the help of each other they accomplished their many goals.

Being a freshman is a exciting but scary experience of high school. Having to adapt to new surroundings, such as; faculty, students, new clubs, and activities are a part of the changes the freshman have to deal with. Although they have achieved a magical step in their lives, they have many more tricks to master.

Superintendent: Louis Huelsman

When we think of school, we think of students and teachers, but these are not the only people that are involved in a school system. There are many more people that we could not do without. These people are our principals, superintendent, and the school board members. They work hard making rules and making decisions for the school system. Their job carries many responsibilities and they do a fine job. Major decisions are made daily that affect everyone in the school system. These people are of great importance to the school system and without them the school would not be able to function to its everyday routine.

School Board Members: Paul Broering, Linus Lefeld, Fred Rose, Lester Hartings, Ed Werling.

High School Principal, Mr. Robert Condon

To The Class of 83

The graduates of 1983 have successfully completed four years of high school and now await the challenges that life presents. Hopefully the education you have received will enable you to meet those challenges with wisdom and enthusiasm. You are an important member of your community with much to contribute and many rewarding experiences to gain.

The ultimate purpose of education is to help each of you become an effective citizen in a democracy. To develop and accept the responsibilities and obligation of good citizenship will help us participate successfully in the world of tomorrow. Remember that your success in life will be directly proportional to your efforts.

I wish each of you the best in life and have truly enjoyed being your principal.

Sincerely,

Robert H. Condon

And Librarians

Librarians: Mrs. Brunswick and Mrs. Elking.

The secretaries at St. Henry High School play an important role in the school system. They have to do the paper work, as well as answer phone calls and take care of the visitors that come into the offices. Whenever anything is needed it seems the secretaries know what to do. Our school would fall apart without them.

Another important position is being a librarian. They help students find books to read and material that may be needed for projects and papers. Keeping the library updated on new literary material is a tough task they have to master. Librarians in our school system are very useful in many ways. A lot of filing work is constantly being worked on every day.

Teachers

Teacher's duties go far beyond standing in front of a class and lecturing. They spend much of their time preparing for the classes they teach. If a student ever gets behind in his classes all he has to do is ask their teacher, who is always ready and willing to help. They help us students get both academically and mentally ready for the future.

Mr. Robert Miller

This year one of our teachers, Mr. Robert Miller, retired after 30 years of dedication to St. Henry High School. While at St. Henry he was librarian and taught government, sociology, economics, world history, humanities, and history.

Mr. Miller was a teacher who was liked by all the students. He was more than a teacher; he was a friend and if anyone even needed anything he was always there to lend a helping hand. Because of his great personality, Mr. Miller will be missed immensely at St. Henry by everyone.

What do you think of the world situation today, Mr. Miller? Well . . . !!!

Preparing for Homecoming night is one of the most exciting event of our school year. The week before Homecoming each class and club are busy decorating for the parade before the football game on Friday night. The parade consists of floats, the high school marching band, and all of the class attendants.

Before the game at a moment of great anxiety, the student body looks on to await the announcing of their 1982 Homecoming Queen. Finally the Masters of Ceremony, Steve Siefring and Sheila Lange, revealed that the Queen was Rosann Siefring — she was crowned by the 1981 Homecoming Queen, Karen Gelhaus. She was happily congratulated by the other attendants.

The Freshman, Sophomore, and Juniors each chose one girl to represent their class. While the Senior class chose three attendants, who were Rosann Siefring (Queen), Lois Knapke, and Leisa Rutschilling.

The night ended with the Redskin football team defeating the New Bremen Cardinals 28-15. The victory and the honoring Queen were to be celebrated Saturday night at the Homecoming Dance.

"Only Time Will Tell" was the theme for this year's homecoming dance. It was held Saturday night in the high school gym on October 9, 1982. Z Sound Systems supplied the music for the dance. During the dance the homecoming court was announced again and Rosann Siefring and Mark Dues performed the traditional Royal Kiss. Everyone enjoyed the entertainment and dancing and was sad to see it come to an end but they moved on to the after parties to celebrate some more. They knew the night had to stop but they looked forward to the upcoming events that the school year still had in its mist.

This year a new dance was held on February 12, 1983 celebrating Valentine's Day, and a new tradition was started. The dance was sponsored by the cheerleaders as a fund raising event to buy their uniforms. For the court, instead of voting on girls as for Homecoming, everyone voted on their class male sweetheart. The 1983 court was Freshman Attendant Bob Bornhorst and his escort Angie Driesch, Sophomore Attendant Ken Bornhorst and his escort Marilyn Bender, Junior Attendant Chuck Jacobs and his escort Denise Dirksen. The three senior attendants were Mark Steinbrunner and his escort Marcia Jutte, Fred Lange and his escort Karen Hartings, and Tony Hammelgarn and his escort Sue Will who was crowned King and Queen.

Z-man Sound Systems supplied the music for the dance. The dance came to an end in hope that it would become an annual event just as Homecoming and Prom.

After the dance everyone was invited to the after prom that was sponsored by some St. Henry adult groups. It was held in the American Legion.

All work and no play?

Decorating for the Junior-Senior Prom is the most challenging job the Junior class achieves. Many weeks in advance they have to decide what the theme will be and what kind of decorations they want and can afford. Then when the dance is about a week away the high school gym is closed to all, and the juniors are hard at work decorating the inside for the big event. Everything turned out perfect like always and everyone had a good time.

Terri chose Alan Clune as her campaign manager. Because of the number of seniors that came from St. Henry to vote for Terri as the queen, she was the second runner-up. This event was held on April 29, 1983. We are proud to say that this is the first time St. Henry has placed for years!

The Skins claimed three of the first four places. Mark Steinbrunner was tournament medalist with a score of 38, and was closely followed by first runner-up Tim Droesch with a score of 41. Mike Brackman was right behind as second runner-up with a score of 43.

This year's team was lead by Seniors Dave Dippold, Mark Steinbrunner, and Tim Droesch. The team next year will be made up of mostly younger players and should continue to keep St. Henry golf competitive for years to come.

The girls volleyball team had another great season. The varsity had a record of 23-2 and J.V. team had a record of 17-0. The team received several individual honors this year. Gail Frilling, Sheila Lange, Leisa Rutschilling, and Kim Guibault all were nominated to be on the all-star M.A.C. team. Receiving Honorable Mention on the M.A.C. team were Sue Will, Beth Stahl, and Marcia Jutte. Gail Frilling, Leisa Rutschilling, and Kim Guibault were elected to the District 8 first team, with Sheila Lange and Beth Stahl receiving Honorable Mentions. While most of the students were enjoying the summer, the St. Henry football team was preparing for their upcoming season. A lot of hard work and dedication led the Redskin team to a successful season. John Bornhorst and Matt Niekamp made first team All-league while Alan Hoyng, Dave Schockman, Gary Reichert, and Dale Alt made the second team.

At the annual awards banquet this year, John Bornhorst received the "Most Valuable Player" award and Fred Lange received the "Most Improved" award. Each year the "Kent Rehm" award is given to the player who shows the most sportsmanship and dedication. This year it was given to two seniors, Bob Stammen and Matt Niekamp.

Next year's team will have a few positions opened from the graduating seniors but strong underclassmen can fill the spaces and head for another winning season.

The seniors receiving their district trophy.

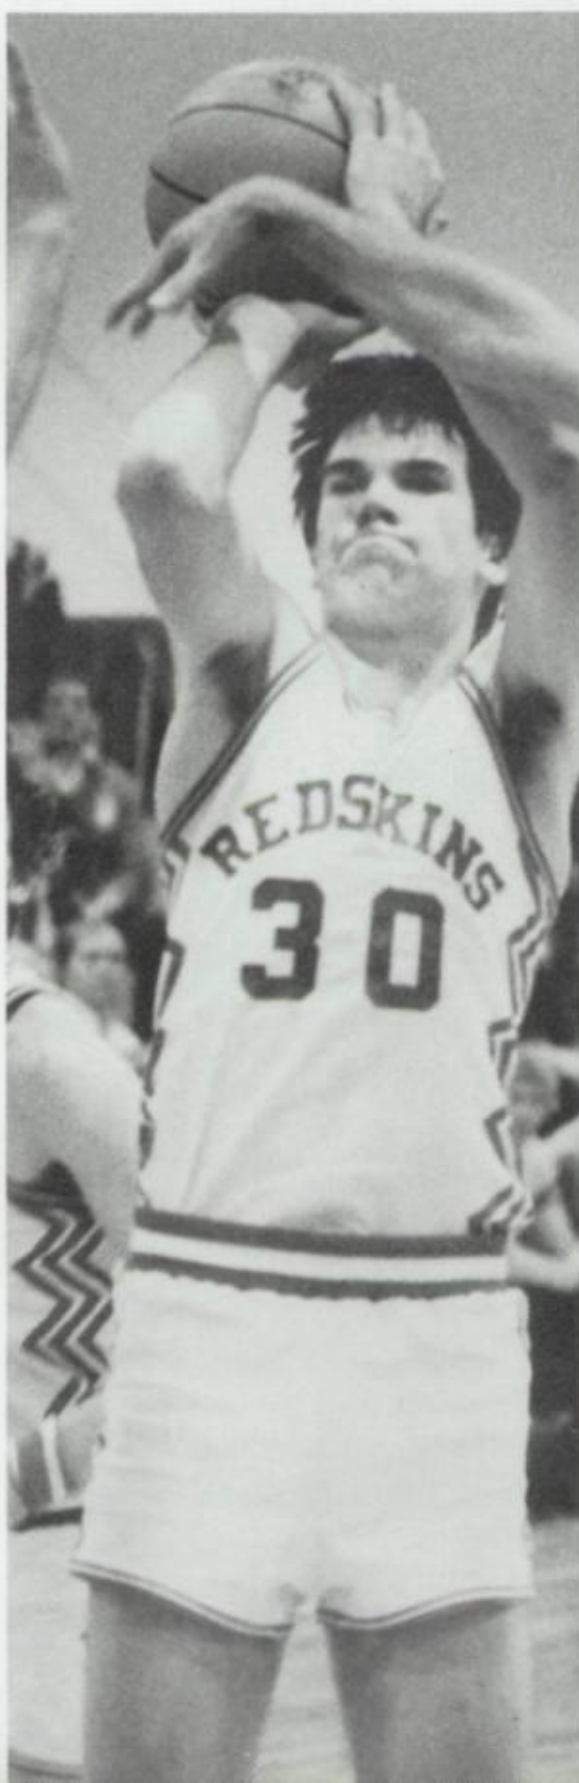

Both the J.V. and Varsity basketball teams had outstanding seasons. The team had a perfect record until they met up with the Delphos St. John Blue Jays. Being defeated by only two points was the perfect reason for wanting to meet up with them again.

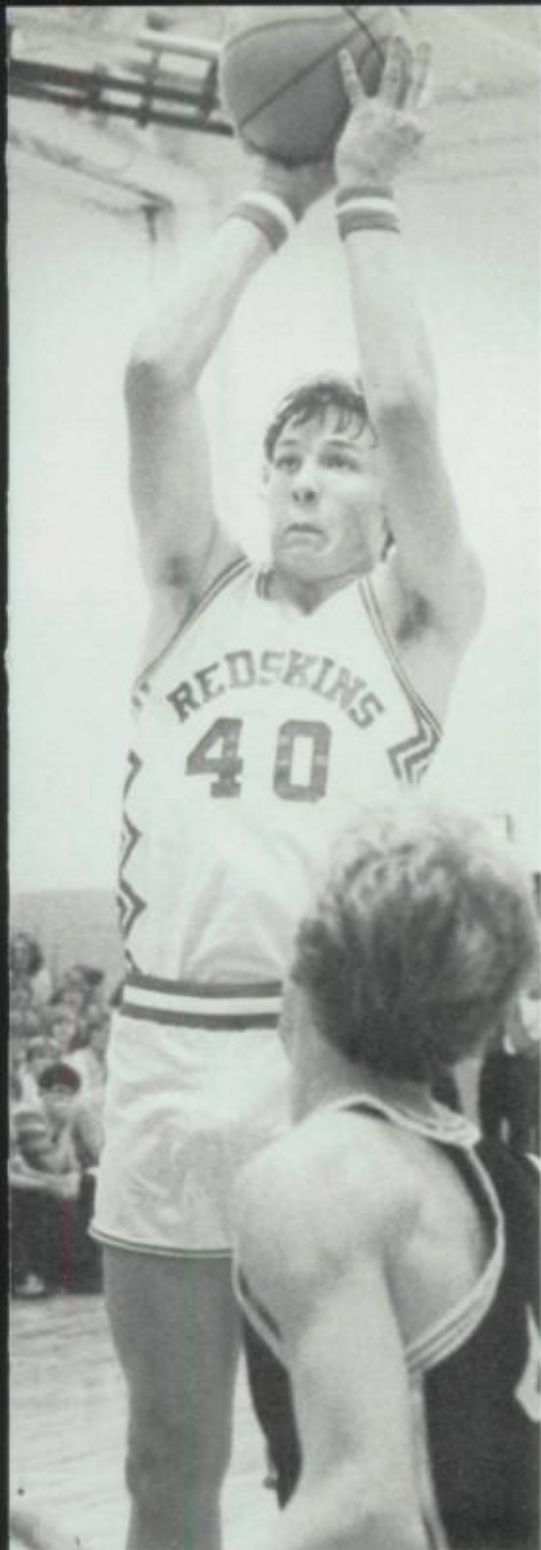

Going into tournament play we received top seed with a 19-1 record. We went as far as Regionals in Toledo. If we would have won our first game we would of probably matched up against Delphos. Wanting to beat Delphos badly, Holgate seemed to slip our minds emensly. Then sadly being defeated by Holgate we ended our season with a 23-2 record, which is something to forever be proud of. The J.V.'s ended with a 15-5 record.

This year the team will be losing five Seniors who contributed a lot and will be greatly missed. Thanks for a great season guys and coaches!

This year the girls track team did a lot of hard work to lead up to their successful season. Although there were many other competitive teams, the girls knew they did their best.

It was Paula Sielscott, their coach, who pulled the girls through the season. She helped a great deal and for her first year as head coach, she did a fine job.

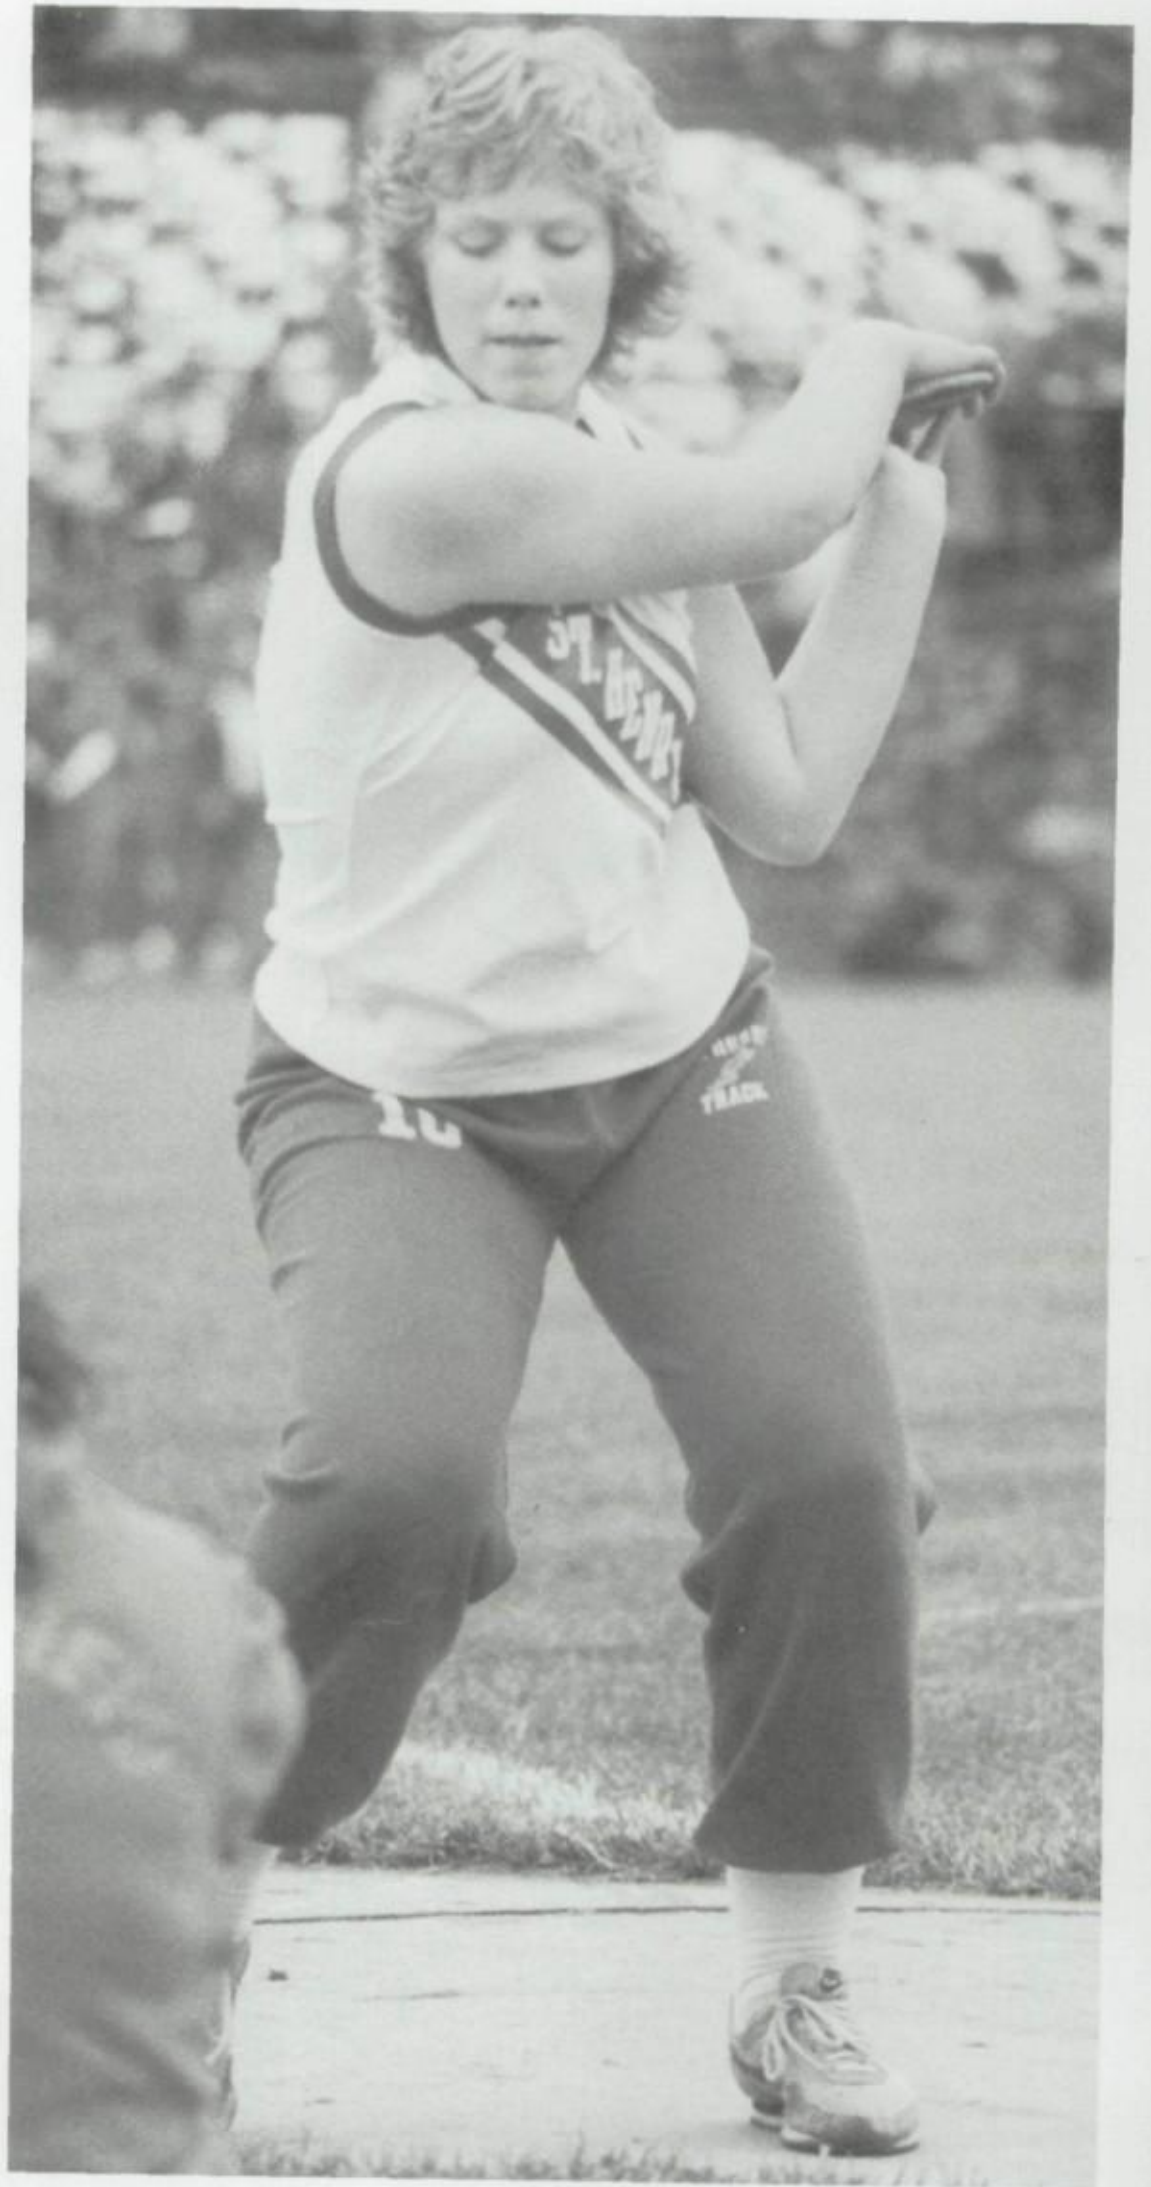

This season there were five qualifiers to Regional competition: Teresa Kemper, Lisa Westgerdes, Lucy Sutter and Carrie Bruggeman who competed in the 400 relay, and Sheila Lange in the shot put. Sheila then went on to state competition where she placed third with a throw of 37'8".

Receiving team awards were Sheila Lange for Most Valuable Player and the Best Field Award, and Carolyn Lefeld for the Best Runner Award.

The girls are ready to cheer the team on.

Boys Track

With a lot of practicing and hard work, the boys track team had a successful season. This year the team had two new coaches, Mr. Jim Leist and Mr. Tim Niekamp. These coaches along with their other coach Tim Braun, gave the team a lot of help during the practices.

There were a few athletes that made it to regionals but because of injuries no one made it to state. Steve Watercutter received the Best Runner and Most Valuable Player award while Joe Braun received the Best Field award. Next year the team should continue their success.

Band practice begins during the hot summer with band camp and many morning practices. This prepares them for marching in the Lake Festival Parade, Fireman's Convention, and the Oktoberfest. When the parades are finished they begin their marching band performances in the Mercer and Darke County Fairs, Marion Band Contest, Troy Contest, and many others. This ends their marching for the year.

The first big concert performance is the Fall Concert. After that they spend many hard hours practicing for District Contest. This year they received a superior rating. This means more hard hours working to get ready for State. The band received an excellent rating and the members were very proud of themselves. After state competition they came back to present their Spring Concert the next evening. At the concert Miss Studebacker gave out the Senior awards and several others. The band did an excellent job this year and we would like to congratulate Miss Studebacker and the band members.

This year with the help of last year, the chorus group made a great break through. By selling products and receiving percentage they managed to get enough money to buy uniforms. With these uniforms the chorus began to get noticed with great interest.

Mrs. Meyer did a fine job in directing the chorus this year and with the help of Shelly Slusser and Theresa Schulze, the student directors, helped the group even more.

Leisa Rutschilling was the President and Shelly Slusser was the Vice-President. Also leading the group was Diane Leistenschneider as the Librarian, Jay Moeller as the Attendant, and Tammy Droesch as the Secretary/Treasurer.

Donkey Basketball

Early spring the high school cheerleaders sponsored a Donkey Basketball game. Any student that wanted to participate signed up and then finally a starting roster was chosen. It was very entertaining to the fans even though some of the riders could not stay on their donkey. Everyone was talking about the game the next day while the donkey riders walked down the hall bull-legged!

Jeff can't sit on his donkey so he sits on his own!

Doesn't Terri and "Super Stupid" make a lovely couple!

Looks like Dan has his hands full!

Out walking your donkey?

Shelly, don't be so rough on your date!

Gail, have you hugged your donkey today?

Dave, put a little weight into it!

Sweet talk won't get you anywhere Alan!

Being on the yearbook staff has a lot of responsibilities. Especially for the editors who have to remember a lot of due dates and keep the creation of the yearbook on its way. We the yearbook editors would like to thank everyone on the staff for their help that was always desperately needed. Our thanks also goes out to Mrs. Lucy Bertke who always seemed to know everything we didn't. Mr. Leist was our advisor this year and without him we would have never been able to complete the book. Again we want to especially thank the people who always seemed to stay after school until late hours in the evening, and never seemed to run out of energy.

Fred showing us his talent.

The Arts Club's past year was very exciting. The club went on two field trips, one to Dayton and another one to Columbus. At Columbus they saw the Governor's Show, which showed only a select group of art work from all over Ohio. St. Henry had two former student's art projects along with Amy Stucke's oil painting displayed in the show.

The officers of the Art Club are Amy Stucke, president; Carol Koesters, vice president; Jenny Laux, secretary-treasurer; and Jean Jutte, Jim Kemper, and Tina Schulze, activities committee. The advisor this year was Mrs. Marilyn Huelsman.

The Spanish Club has a meeting once a month which is runned by the advisor, Mr. Dale Meyer. The Spanish Club took two trips this year. The first trip was to Dayton where they ate at a Mexican restaurant called Chi Chi's. On the second trip the group went to eat at Casa Rodriguez in Celina. Also this year they had a Mexican exchange student who spoke to the club about Mexico and many of their cultures. This year the club was invited to Coldwater to play many games involving Mexican ways with their Spanish Club.

German Club

Row One: Advisor Mrs. Schwegman, Jane Hummel, Sheila Miller, Linda Goettemoeller, Lisa Hartings, Matt Niekamp, Ron Dull, Hartmut Menne; **Row Two:** Karen Lefeld, Carolyn Lefeld, Mary Ann Uhlenhake, Karen Rose, Sally Rammel, Lorna Alig, Amanda Stachler, Jeff Davis, Dan Gast; **Row Three:** Maria Werling, Mary Link, Myra Langenkamp, Francee Miller, Bob Clements, Nick Balster, Dennis Bensman, Jay Moeller; **Row Four:** Janet Lange, Kelly Heitkamp, Lisa Broering, Julie Puthoff, Lori Hemmelgarn, Teresa Link, Dan Evers, Jim Huwer, Tim Kremer; **Row Five:** Kristy Watercutter, Peg Huwer, Elaine Moorman, Chuck Whitsett, Don Evers, John Wolf.

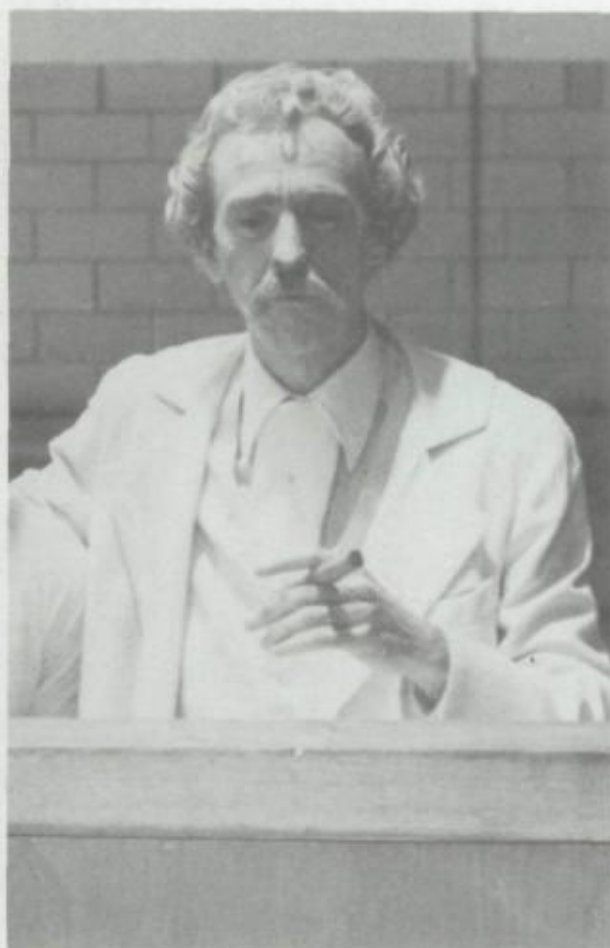

The German Club is a club only for the students who took a course of German. This year they did many different projects. In the beginning of the school year the German Club had spent a lot of their time on money-making projects such as: cake raffle, coat check, spirit buttons, and cleaning up after basketball games. These projects involved dedicated people who worked hard and made it possible for the club to go to Frankenmuth, Michigan. It all paid off because everyone enjoyed the trip and learned many different and exciting things.

The German Club has also organized parties during the holidays. A special going away party was organized for an exchange student from Germany, Hartmut Menne.

A variety of assemblies were held this year that were very enjoyable. "Hormonica Bob" played various types of harmonica's for an exciting performance. A duo from England sang many hit songs that really got the students "crankin." A young man dressed as Mark Twain talked about the experiences of Mark Twain's life. Toward the end of the year two mimes from the University of Cincinnati performed many different skits for the students. The last assembly was Col. Robert Mohr who was a prisoner during the Korean War. He talked about when he was prisoner and how communism can slowly take over any town or country.

The Office Education Association is one of the most valuable clubs that St. Henry High School has to offer. O.E.A. is offered only to those students who are enrolled in the Intensive Office Education courses. The members of I.O.E. use their skills which they develop from their classes for O.E.A. competition at regional, state, and national levels.

This year Lisa Niekamp and Ann Knapke made it to state. Lisa Niekamp placed with her job manual and competed at Nationals where she placed seventh. Mr. Thompson and seventeen O.E.A members went to Chicago to cheer Lisa on.

The girls spent many hours on their money-making projects: the O.E.A. -runch, the monthly paper drives, the roller skating party, and the typing and selling of football and basketball programs. This year the O.E.A. played their second annual powderpuff football game against Coldwater I.O.E. and another game against Ft. Recovery I.O.E. All proceeds went to Special Olympics.

During O.E.A. week tours to observe the I.O.E. room in action were available for any underclassman who plans to take I.O.E. in the future.

At the annual I.O.E. banquet, Marie Hemmelgarn was elected as Miss I.O.E.

The two people who kept the club organized this year were Mr. Robert Thompson, senior advisor, and Mrs. Mary Ann Bertke, junior advisor.

Sorry about the runs in your pantyhose, Mom.

Outstanding Students

Scholastic Bowl Team: Theresa Schulze, Karen Bruns, Marcia Jutte, Sheila Clements, Mark Steinbrunner, Mike Brackman, John Wolfe, Andy Glass.

The WOBC Scholastic Bowl Team is a made up of eight Seniors and Juniors who were chosen by their advisors, Mr. John Bruns and Mr. Bill Zink. Each member of the team is chosen by their grades, test scores, and teacher recommendation. After the members of the team are chosen they participate in the Scholastic Bowl at Wright State University's Branch Campus in Celina. This years team lost in the first round in a very close match against Minster.

State Delegates: Beth Whitsett and Bob Stammen, **Alternates:** Chris Stucke and Marcia Jutte.

The State Delegates and their alternates are chosen to participate for a time with a group of other delegates and learn more about how this country is run and all it takes to do it. Each year all the interested students write an essay about themselves and what they want in the future. The essays are then read and then one boy and one girl is chosen to go. If either one can not attend in the summer then their alternate will be able to take the place.

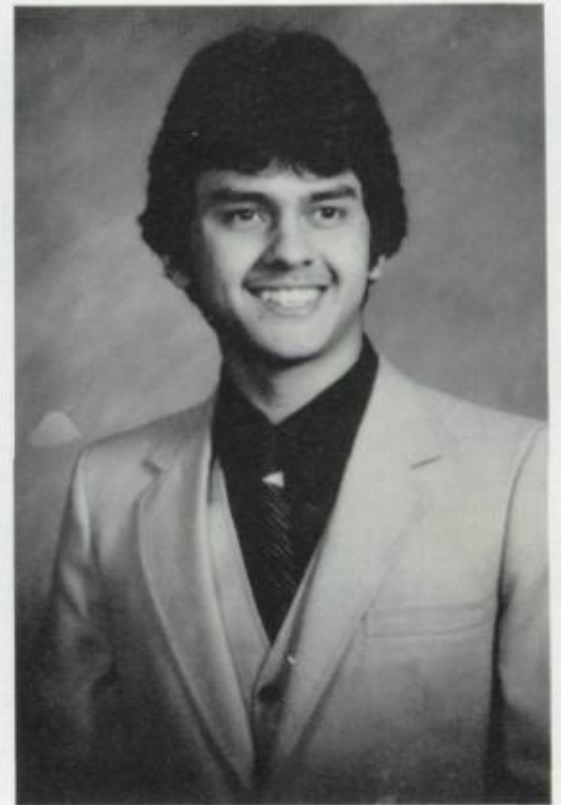

Exchange Students

Hartmut Menne

Cheiko Miyamoto

Guillermo Velasco

This year St. Henry High School was fortunate enough to have three exchange students from other countries. Hartmut Menne, who was an exchange student from West Germany, could always be seen around school taking pictures. Cheiko Miyamoto, an exchange student from Japan, participated in the girls basketball program, and Guillermo Velasco, who was only here at our school for half of a year, was a member of the Spanish Club.

We, the students would like to thank Hartmut, Cheiko, and Bill for being with us this past year and for all their time they took to educate us with customs and beliefs from their countries.

We were also lucky enough to have five exchange students from West Germany to stay with us for a month, which was a great experience for everyone. We would like to thank all the exchange students that came to our school and also their families who they lived with.
